The Can Do 4:13 Scholarship Fund is dedicated to providing \$1,000 scholarships to the 2002 through 2008 fourth grade classes at Peoria, IL's Irving Primary School when they enroll in an accredited post secondary education institution. The Can Do Kids now total 375 students, now in 5th through 10th grade. Over \$200,000 has been raised to fund the Can Do 4:13 Scholarship.

Can Do aspires to give these students hope, as well as the ability to truly see that the community cares about them, and is encouraging them to graduate from high school. A mentoring program has been instituted with mentors meeting monthly with students. This hope is expected to increase graduation rates among these students, and truly change the near north side of Peoria.
